

Pembroke Pines Elementary - Mobile School Pantry Giveaway

Mobile School Pantry | <http://www.mobileschoolpantry.org>

Mobile School Pantry (MSP) mission is to provide nutritious, healthy food items to children and families at low-income schools in South Florida.

We are committed to creating a future without hunger where all families have access to adequate amounts of nutritious, culturally appropriate foods to learn, grow and thrive.

Everyone has the power to make an impact...

It all starts with one action:

Become a Hunger Hero by volunteering at one of Mobile School Pantry's client choice school pantries. Offering client choice allows families to select their own food instead of receiving pre-packed bags. This process provides dignity for families, prevents food waste and ultimately saves money.

Volunteer, donate and help our (growing) school pantry program. YOU make it all possible!

Volunteers needed to assist with our client choice school pantry, tasks include:

- Unloading of truck
- Set-up client choice school pantry
- Refill baskets with produce items as needed throughout the giveaway
- Assist families to shop
- Breakdown boxes
- Clean-up post giveaway
- Smile and make families feel welcomed

WE BELIEVE:

Food Security for ALL

Food is crucial for the well-being and success of all individuals and the foundation of a strong, vibrant society.

HEALTHY, fresh food should be a human right

YOU make the difference. Your time fuels our mission and helps us serve children and families in our community. We hope to see you soon!

Just a friendly reminder that school campuses close at a specific time each day, so we truly appreciate your help in arriving on time for both drop-off and pick-up. Your punctuality keeps things running smoothly and ensures we can wrap up the day safely and comfortably. Thank you so much for your cooperation and support!
